Objectives: To earn money to pay for continued education and to gain knowledge that I can use in my schooling and personal growth.

Education: Howard Community College – First year student for the 2007-2008 school year.
Blue Mountain Academy – 9th grade through 12th grade. Graduated Spring 2007.
Beltsville Seventh-day Adventist – Kindergarten through eighth grade, 1994 – 2003.

Interests: I enjoy working with anything that is mechanical or computer related. My father gives me credit for being the first to get my hands in fix-it type projects around the house. I believe I also have some talents with professional sound equipment work.

Work

Experience: **Summer 2007** General Conference of Seventh-day Adventists, Facility Services maintenance work.

2006-2007 Blue Mountain Academy (BMA) as Head of Audio/Visual.

Summer 2006 Pritchett Family Homes construction helper.

2005-2006 9 months working in Dorm assisting the boys dean.

Summer 2005 Construction assistant for Pritchett Family Homes. Performed entry-level construction which included the handling and the use of power equipment and machinery.

2004-2005 9 months BMA's Music Department as a reader for Eric Engen.

2003-2004 9 months BMA's Cafeteria as assistant cook.

Volunteer

Experience: My father owns professional sound equipment that churches in the area use on a regular basis. I have grown up around this equipment and have become very proficient in the use of this and other pro-audio equipment. BMA has used my talents in this area over the four years I attended the academy.

Hobbies: Computers, technological equipment work, professional sound work, water-skiing, cooking, repairing, and building things.
